Gia-Bao Dinh Ho

M.Sc. student, MBZUAI · Abu Dhabi, UAE · bao.dinh@mbzuai.ac.ae · giaabaoo.github.io

Research interests AI Safety, Alignment, Mechanistic Control, Causal Representation Learning

Education

Mohamed bin Zayed University of Artificial Intelligence (MBZUAI) Aug 2025 – present
M.Sc. in Natural Language Processing, Division of Computing and Mathematical Sciences
Advisors: Timothy Baldwin, Masahiro Kaneko
GPA 3.64/4.0 (all grades A- or above; A = 3.7 at MBZUAI)

Ho Chi Minh City University of Science, Vietnam National University, Ho Chi Minh City 2017 – 2021
B.Sc. in Computer Science, Advanced Program in Computer Science (APCS)
GPA 3.65/4.0 · Final two years 3.84/4.0

Publications and Preprints

Shaping the Document, Not the Model: Optimized Suffixes for Context Following
Gia-Bao Dinh Ho, Sekh Mainul Islam, Masahiro Kaneko, Timothy Baldwin, Isabelle Augenstein
Preprint, under review, 2026 arXiv project code

MTP: A Dataset for Multi-Modal Turning Points in Casual Conversations
Gia-Bao Dinh Ho, Chang Wei Tan, Zahra Zamanzadeh Darban, Mahsa Salehi, Reza Haffari, Wray Buntine
ACL 2024 paper project dataset

HCMUS at MediaEval 2021: Ensembles of Action Recognition Networks with Prior Knowledge for Table Tennis Strokes Classification Task
Trong-Tung Nguyen, Thanh-Son Nguyen, **Gia-Bao Dinh Ho**, Hai-Dang Nguyen, Minh-Triet Tran
MediaEval 2021 Workshop

Research Experience

University of Copenhagen, CopeNLU Visiting Student Jun – Sep 2026
Supervisors: Isabelle Augenstein, Sekh Mainul Islam

FPT Software AI Center AI Research Resident Jun 2024 – May 2025
Advisor: Nghi Bui
Benchmarked post-hoc removal of developers' code from CodeLLMs code

VinUniversity Research Assistant Feb – Oct 2023
Advisors: Wray Buntine, Mahsa Salehi

Industry Experience

VinBrain AI Engineer Intern Dec 2022 – Feb 2023
Medical image segmentation

VinBigData AI Engineer Resident Jul – Nov 2022
Person re-identification, multi-object tracking, spinal lesion detection

Selected Honors and Awards

DDSA Visit Grant, Danish Data Science Academy 2026
Selected for the Qualcomm AI Residency Program (chose to pursue the M.Sc. at MBZUAI) 2025
Diversity and Inclusion Award, ACL 2024 2024
VINIF Scholarship, Vingroup Innovation Foundation 2022
Runner-up, MediaEval 2021, table tennis stroke classification 2021
Silver Medal, Solving Physics with CASIO Calculators, Ho Chi Minh City 2017
Silver Medal, 30/4 Southern Vietnam Physics Olympiad 2016
Gold Medal, 30/4 Southern Vietnam Physics Olympiad 2015

Updated October 2026
